Arizona Pool Covers will insert a Styrofoam insert into the 1.5 inch x 3 inch opening of the pre installed form boards.

Inside of the Styrofoam section we insert the pool cover track with bolts which are formed into the poured deck.

Arizona Pool Covers will not create or install the deck form boards

Please call our office at least 2 weeks prior to the actual deck pour date to permit proper scheduling and decrease deck pour delays. 480-829-0083
